Our Divisions

AF Trading in Botswana

We had the privilege of visiting our customer's exploration drilling sites in Ghanzi, Maun, and Jwaneng, Botswana.

Our customer is a leading drilling company in Africa. With the AF Chem team, we observed the use of chemicals and took notes on how we can improve their production efficiency and cost.

We are proud to report that our customer is already using AF Chem products and is pleased with their performance and our services.

The AF Chem team is currently analyzing samples and providing recommendations on the proper use of our products.

Case study

Kind Words

We would like to take the Opportunity to thank AF Trading and Africa Drilling & Casing Supplies crew for the outstanding products and service they provided for us since the beginning of our relationship with them.

We have noticed the good quality of AF Trading Products. They always go the extra mile for their clients no matter the time or day. We know with AF Trading and Africa Drilling & Casing Supplies we would have a lifelong relationship.

Keep up doing what you are doing and thank you for your support.

Yours Faithfully,
Kefilwe

I would just like to take this Opportunity to Thank Bertus and the crew from AF Trading for the outstanding service and products provided to us since the start of our Business relationship,

We have noted a very significant drop in our running costs and also noted the increased lifespan of equipment since using AF Products.

Over and above that, the friendly and willing service regardless of time or day or even location has helped us keep going throughout these difficult times and the ability to change and adjust any product to suit our on-site needs,

Martinnus
